

ND Long Term Care Association's Membership Directory & Buyer's Guide

NDLTCA will be soon working on the **2011-2012** edition of the Membership Directory & Buyer's Guide. Take advantage of this opportunity to put your company on the desks of the decision makers in over 160 member facilities, including assisted living, basic care and nursing facilities. The directory is distributed in July of each year.

This directory contains key contact information for the administrator's, directors of nursing, and social services for all NDLTCA members facilities. Sponsor and Associate Members are included in a separate section, highlighting business contact information and services. You will also find valuable information and statistics for the long term care profession in general, contact information for many state offices, and other healthcare related organizations.
